

## What's Included in the Home2Video 14-Day Free Trial

Try Home2Video with real listings, real videos, and real marketing tools — with no credit card and no obligation.

### What You Get During the Trial

- One active listing using the full Home2Video platform
- Automated listing video creation from MLS or address data
- Photo organization, reordering, and categorization tools
- Listing-specific QR codes and shareable links
- Engagement tracking for views, scans, and clicks
- Seller-ready reporting to demonstrate listing performance

### How the Trial Works

- 1 Register with your name and email — no credit card required
- 2 Log in immediately and set your password
- 3 Search for a property by address or MLS number
- 4 Organize photos and customize your listing video
- 5 Generate your video, QR codes, and shareable links
- 6 Use all features freely for 14 days

### What Happens After the Trial Ends

- Your listing and work remain saved in your account
- The listing becomes inactive until you choose a plan
- No automatic charges or surprise billing
- Upgrade anytime to instantly reactivate your listing

The best way to understand the value of Home2Video is to use it on a real listing. Start your free trial and experience the full workflow end-to-end — risk free.
